

INDUSTRIAL PROJECTS INCLUDING : STEEL, COPPER, CEMENT

Item	Project title	Employer	Main Employer / End User	Year of operation
1	Design, Supply & Commissioning of Automation System of Sechahun Pelletizing plant	Azaran Industrial Structures	Sechahun Co. Iron Ore pelletizing plant	2018
2	Control System for MHU / WTP Plants of Jahan Foolad Sirjan	Sirjan Jahan Foolad Complex	Mines and metals technology engineering Co. MMTE	2017
3	Control system of BOJNOORD Sulfuric Acid Factory (DCS)	Kimiadaran Novin-e- Shomal	Kimiadaran Novin-e- Shomal	2016
4	Control system of phosphoric Acid unit (DCS)- YAZD	Kimiadaran-e-kavir	Kimiadaran-e-kavir	2015
5	Control system of Sulfuric Acid -BEHABAD	Kimiadaran-e-kavir	Kimiadaran-e-kavir	2015
6	Control system for phosphate (MTPA)- YAZD	Kimiadaran-e-kavir	Kimiadaran-e-kavir	2015
7	Control System for Convertor Hoods of Sarcheshmeh Copper Complex	Non-ferrous Industries Process Engineering and Construction company, NIPEC	National Iranian Copper Industries Co.	2015
8	Design, procurement, installation and commissioning of control and monitoring system for furnace no. 1 and cement and material pulverize at KERMAN cement Co.	Kerman Cement co.	Kerman Cement co.	2012
9	Supply of PLC control system for direct induction unit at SABZEVAR Steel company	Mines and metals Technology engineering Co.	Sabzevar Steel company	2011
10	Design, installation and commissioning of control system and cement equipment of GILAN-E-SABZ Cement co.	Iran Industrial design Co.	Gilan-e-Sabz Cement co.	2010
11	Design, Supply, installation and commissioning of DCS control system in SUNGUN MOLYBDENUM plant	Iran ITOK Co.	National Iranian Copper Industries Co.	2010
12	Supply of Industrial automation control system for Bloom foundry project, Slab 1 & 2 at KHUZESTAN Steel Company	Madaen Engineering company- MITE	Khuzestan Steel Company	2010
13	Supply of electrical and control systems and instruments at BAGHERAN Cement co.	Bagheran Cement co.	Bagheran Cement co	2007
14	Supplying engineering equipment and instruments and modernization of material feeding system in high furnaces	Esfahan Steel company	Esfahan Steel company	2007
15	Design, Supply, installation and commissioning of control system and instruments of Gas power plant for Automation project of SARCHESHMEH copper company (reconstruction)	Tam Iran Khodro	National Iranian Copper Industries Co.	2007
16	Design, Fabrication, installation and commissioning of power and control system of material and cement pulverize and furnace	Dorood Cement co.	Dorood Cement co.	2007
17	Design, procurement, Fabrication, installation and commissioning the monitoring and control systems in GHAEN Cement co.	Ghaen Cement co.	Ghaen Cement co.	2007
18	Monitoring control system of the production line at KHASH Cement co.	Khash Cement co.	Khash Cement co.	2006
19	Installation and commissioning of power and control systems and instruments in SAROOJ-E-ESFAHAN Cement co.	Sarooj-e-Esfahan Cement co.	Sarooj-e-Esfahan Cement co.	2006
20	Design, Supply, Erection and commissioning of Electrical, Automation & Instrumentation for MOMTAZAN Cement co.	Momtazan-e-Kerman Cement co.	Momtazan-e-Kerman Cement co.	2005
21	Installation and commissioning of fire alarm system in KHUZESTAN steel company	Khuzestan steel company	Khuzestan steel company	2005
22	Design, equipment supply, installation and commissioning of control system for Sulphuric Acid Project	National Iranian Copper Industries Co.	National Iranian Copper Industries Co.	2004
23	Commissioning the control system of burners in Furnace No. 2 at KERMAN Cement co.	Kerman Cement co.	Kerman Cement co.	2004
24	Design and programming of the monitoring and control system at BENVID Cement co.	Benvid white Cement co.	Benvid white Cement co.	2004
25	Installation, testing and commissioning the power and control equipment	Zanjan Cement co.	Zanjan Cement co.	2003
26	Design, Fabrication, installation and commissioning of control system of URMIA - BIJAR Silos.	Sahand Research company	Tosee Siloha Co.	2003
27	Supply the panels of different departments including: plaster transport, pulverize, cement, cement silos and packing plant	Zanjan Cement co.	Zanjan Cement co.	2003
28	Optimization of power and control system in the capacity increasing project of URMIA Cement co. (raw material pulverize and furnace)	Urmia Cement co.	Urmia Cement co.	2003
29	Design, procurement, Fabrication, installation and commissioning the monitoring and control systems in HEGMATAN Cement co.	Hegmatan Cement co.	Hegmatan Cement co	2002
30	Presenting the full monitoring and control systems for the production line of PARS Refractories Co.	Pars Refractories Co.	Pars Refractories Co.	2002
31	Design, installation and commissioning the control system of color hall no. 1.	Iran Khodro	Iran Khodro	2001
32	commissioning the control system of paper unit at MAZANDARAN Wood & Paper Industries	Mazandaran Wood & Paper Industries	Mazandaran Wood & Paper Industries	2001
33	Design, Fabrication, installation and commissioning the control system of TABRIZ Foundry Industries	Tabriz Foundry Industries	Tabriz Foundry Industries	1999
34	Design, Fabrication, installation and commissioning the automation of two arrival weight bridge	Soufian Cement co	Soufian Cement co	1999
35	Design, Fabrication, installation and commissioning the automation system of GHAEM 1 & 2	Esfahan Steel company	Esfahan Steel company	1996
36	Design, Fabrication, installation and commissioning the automation of SARIT plant	Neka Cement co	Neka Cement co	1993

Scanner, Camera, and Furnace Body Temperature Measurements Projects

Item	Project title	Employer	Main Employer / End User	Year of operation
37	Equipment supply, system promotion, Design, Production, installation and commissioning the body furnace camera and scanner system for more than 35 cement plants and other industries.	Cement, Steel and Iron fusion Companies	Cement factories including: Sepahan Cement, Mazandaran, Kerman Bagheran, Kordestan, Ghaen, Khazar, Neyzar-e-Ghom, Kiasar, Sabzevar, Behrook-e-Yazd, Momtazan, Gondolehsazi Ardakan, Sefid Neyriz, Benvid, Naeen, Khash, Zaveh, Yasooj, Sarooj-e- Esfahan, Behbahan, Zanjan, Hegmatan, Ardebil, Estahban, Servasol Venezuela, Urmia, Soofian, Tehran, Neka, Fars, Shargh, Firoozkooh, Mehriz, Tarahisanati Iran, Peyvand-e-Golestan, Mobarakeh Steel Company, etc.	1995-2020
